Ex-Ambassador to Austria Accuses President of Duplicity and Writing an Improper Letter of Censure to His Wife.

CHICAGO, Dec. 8.-The Chicago Tribune prints to-day a copy of an extraordinary sensational letter which, it asserts, has been sent to President Roosevelt and the members of his Cabinet by Bellamy Storer concerning the dismissal of Mr. Storer from the post of Ambassador of the United States to Austria-Hungary.

The letter is a blistering arraignment of President Roosevelt, ac cusing him of insincerity, of writing an improper communication to Mrs. Storer and of having shown this particular letter to others before it was mailed for the deliberate purpose of placing her in a false position.

Mr. Storer charges that Theodore Roosevelt when Governor of New York asked him and his wife to use all the influence at their command to have Archbishop Ireland made a Cardinal. Acting in good faith, Mr. Storer says, he and his wife exerted themselves in behalf of Archbishop Ireland at the Vatican, only to find that Mr. Roosevelt, after becoming President had completely reversed himself.
